2020 EDITION  
CORPMIND.COM

## WHY CHOOSE US

CORPMIND is on a mission to simplify the process for custom merchandise, custom packaging, and custom promotional products for businesses. We're dedicated to making custom manufacturing accessible and affordable for any branded products your business needs. With custom manufacturing, your ideas are able to manifest into physical form. Our network of international manufacturers puts us in a unique position to deliver high quality branded merchandise at low prices for our clients. We empower your brand to stand out.

**CUSTOMIZE:** Don't snooze on dreaming big. We've got all your specs needs covered, so you can customize everything from material, style, artwork, and size for the best and most delightful branding impact. Need some inspiration? CORPMIND connects you with our in-house designers and manufacturers, so you can go from brainstorm to reality.

**COST:** A custom merchandise shop where the prices actually drop. We are the solution to creating one-of-a-kind merchandise at one-of-a-kind prices. You directly benefit from our long-standing and trusted relationships with overseas manufacturing partners, who provide us with the industry's lowest factory-direct pricing.

**QUALITY:** Just because we're affordable, doesn't mean we're cheap. We source the best in breed materials and products to ensure your item lasts. Get your hands on the first physical prototype to approve it before production starts.

**QUICK:** We are transparent with your time. Custom made products at the lowest price may take an extra couple of weeks, so our team sets the correct expectations to help you plan ahead. We keep you informed on the fastest possible delivery for your highest creative expression. We're talking less-than-30 day delivery guarantee. Got time? We also offer no-rush discounts.

# A COMPANY NOTEBOOK

Every company has a unique story to tell, so create a unique place to write it. Easily design a playground to turn scribble into inspiration with completely customizable covers, sheets, size, and page inserts. Leave a lasting imprint on employees and customers.

# CHARGING NOTEBOOK

Don't get caught at 2%. Devices and creative solutions to charging up are an essential part of the workplace functionality. This notebook binder is discreetly equipped with device chargers so electronics remain powered up on the go. Journal, charger and cables are readily available in one sleek and functional accessory. Leave cords behind and take this device-charging notebook.

Color: Black · Material: PU leather · Measurements: 9.3" W x 6.7" H x 1.1" D · Refillable sheets: A5 size (5.8" W x 8.3" H), 60 sheets · Weight: 1 lb  
Branding: Deboss on front or back cover or laser engrave on metal clasp · Packaging: Paper box

# ORGANIZER NOTEBOOK

Travel anywhere with a desk. This multifunctional mini-desk props your phone screen for video conferencing and emails, secures notes, tucks away business cards, and allows for interchangeable notepads. Expand ideas on a compact desk space.

Storage organizer

Integrated foldable phone stand

Refillable journal

Magnetic clasp

Color: Gray · Material: Polyester fabric · Measurements: 8.9" W x 6.7" H x 1" D · Refillable notebook: A5 size (5.8" W x 8.3" H), 64 sheets  
Weight: 1.2 lbs · Branding: Imprint on magnetic clasp · Packaging: Paper box

**CUSTOM  
DESIGN**

## UNIQUE STICKY NOTES AND NOTEPADS

Don't let post-its be boring. Dream up unique shapes and artwork printed on durable notepads and people will brainstorm on your brand. Stand out and spare the budget.

## STICKER BROCHURE AND BOOKLET

A sticky brand is coveted. Present an informative booklet or brochure with stickable take-away moments. Customize sticker pages and back panels with full-coverage and full-color printing. Customers will stay informed and escape the norm.

# WIRELESS CHARGER

Capitalize on the trendy new wireless technology and empower your recipients to charge into the future. This sleek and lightweight wireless charging device also includes a Micro USB port for a second device. Ask about an alternative version with a built-in 4700mAh power bank that keeps charging even when unplugged. Power without attachment is here.

Color: White · Material: PC+ABS · Measurements: 3.7"W x 3.7"H x 0.6"D · Weight: 4.4 oz · Battery capacity: 4700mAh  
Battery type: Lithium polymer · Input: DC5V / 2A · Output: DC5V / 2.4A(max) · Total output power: 12W · Output power of wireless charging: 7.5W  
Branding: Imprint on surface · Packaging: Paper carton

# 6-PORT USB CHARGER

Own every device, and keep them powered up. Each port provides a quick charge, with one QUALCOMM Quick Charge 3.0 port to deliver lightning-fast charging. Multiple-layer protections keep devices and device handlers safe. Includes 5 feet detachable power cable. Create memorable branding to stay in charge.

Color: Gray · Measurements: 3.2"W x 4.1"H x 1.2"D · Weight: 6.7 oz · Input: 100-240V · USB Output 1-6: 5V/2.4A (max) · Power rating: 45W  
Branding: Imprint on surface · Packaging: Paper carton

# SMART WALL CHARGER

Not all devices are created and charged equally. Embedded smart technology detects devices' input and charges optimally and safely. Dual-port USB charges two mobile devices simultaneously at ultra-fast speed. Multiple layers of protections keep devices and device handlers safe. Non-slip matte ensures a tight grip and provides a surface for a tight branding message.

Color: White · Measurements: 2.3"W x 2.3"H x 1.1"D · Weight: 2.9 oz · Input: 100-240V · USB Output 1-2: 5V/2.4A (max) · Power rating: 24W  
Branding: Imprint on surface · Packaging: Paper carton

Built-in Smart IC recognizes the attached gadget and delivers the correct amount of power most efficiently

# UNIVERSAL CHARGER

Avoid charging snafus while jet-setting. This universal charger is an essential item in your carry on. Wrapped up in a sophisticated leather pouch are US, UK, EU, AU plugs and a car charger. Your brand's logo will be an international sensation, traveling around the world in style and convenience.

Color: Charcoal · Car charger input: DC 12v · Output: 5v/3.1A max · Measurements: 2.6" W x 2.2" H x 1.1" D · Weight: 3 oz  
Branding: Imprint on the charger or pouch · Packaging: Paper box

# QUICK CHARGE POWER BANK

When your battery is drained, avoid draining time. 4x faster than conventional chargers, compact and lightweight, this power bank featuring QUALCOMM Quick Charge 3.0 Technology is the premium charging solution. Ask about an alternate version without quick charge. Stay charged to charge through the day.

Industry-leading lithium polymer battery, available with 5000mAh and 10000mAh battery capacity

Large decoration area for branding

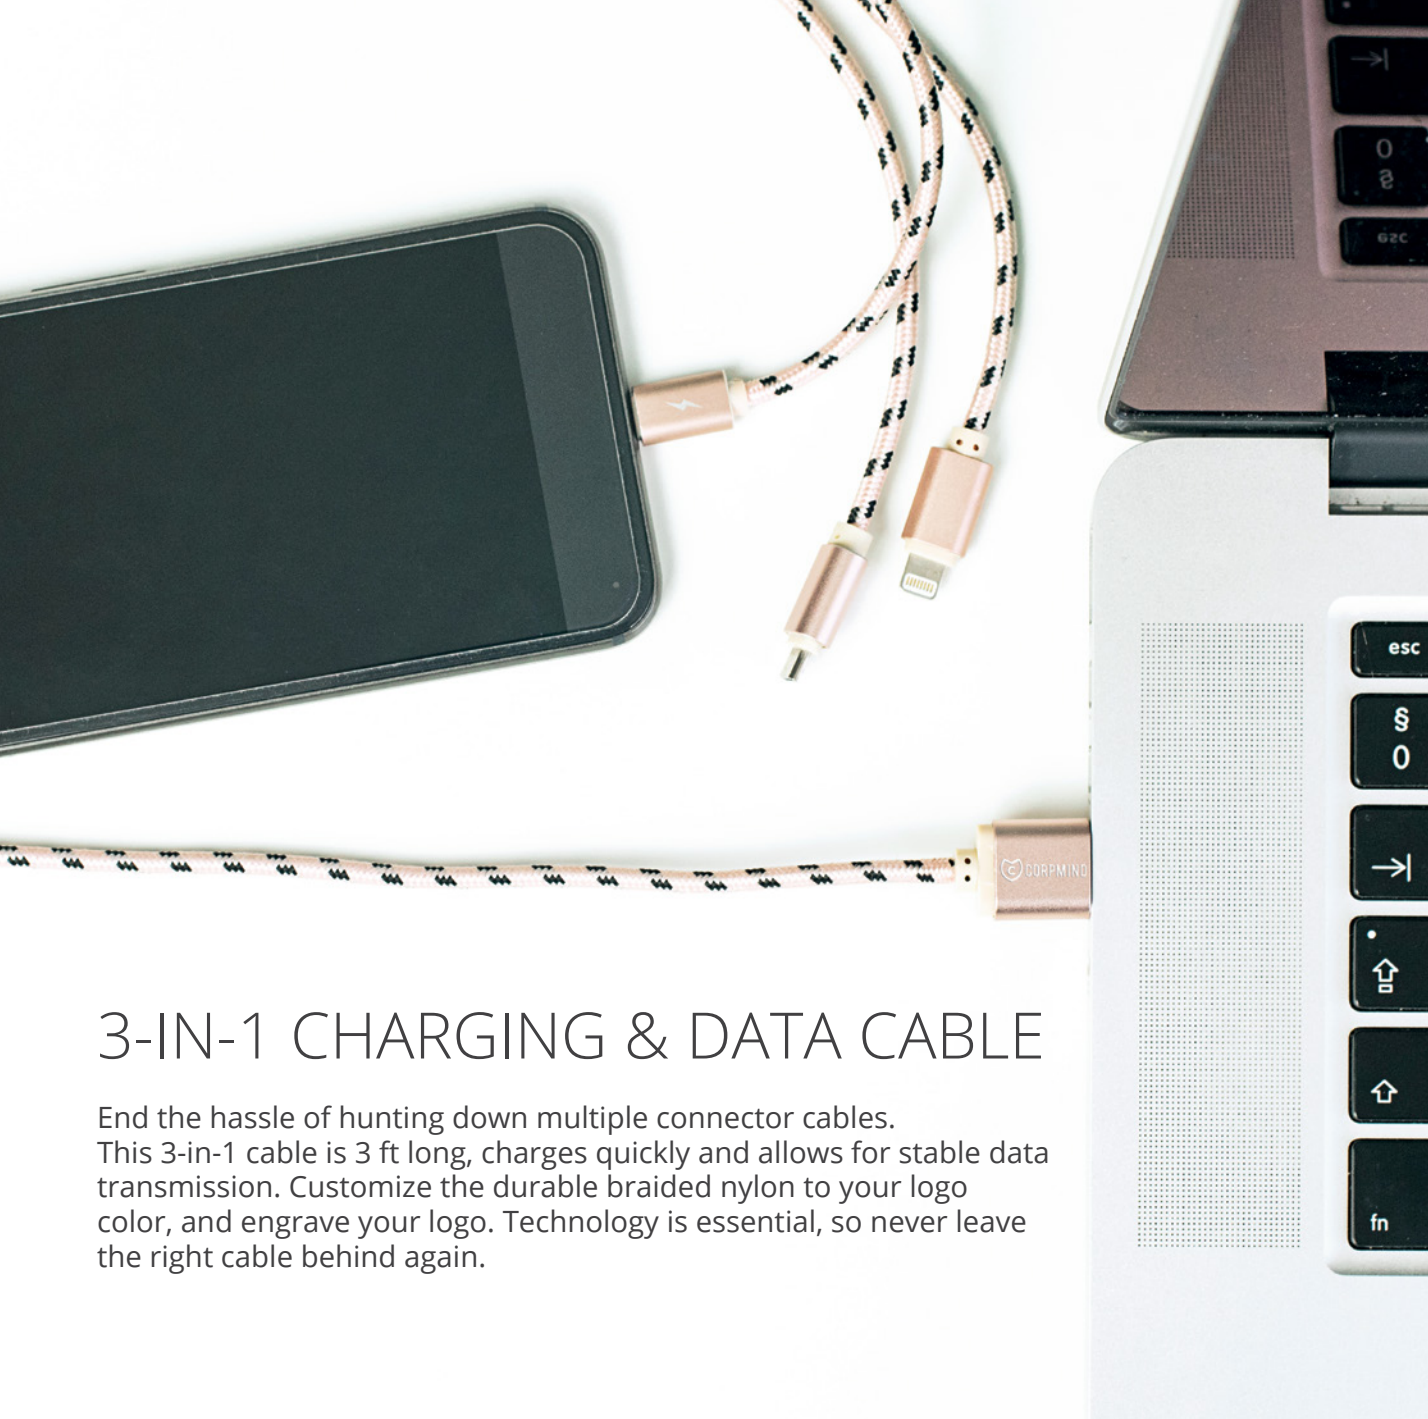

Dual USB ports (QC + standard or two standard outputs) support simultaneous charging of two devices

Compact and lightweight. Aircraft-grade aluminum alloy, drop-proof

Color: Metallic gray · Measurements: 4.6" W x 2.2" H x 0.6" D · Weight: 8 oz · Branding: Imprint on surface · Packaging: Paper box

# 3-IN-1 CHARGING & DATA CABLE

End the hassle of hunting down multiple connector cables. This 3-in-1 cable is 3 ft long, charges quickly and allows for stable data transmission. Customize the durable braided nylon to your logo color, and engrave your logo. Technology is essential, so never leave the right cable behind again.

Length: 3 ft · Weight: 1.2 oz · Branding: Imprint on connector surface · Packaging: Clear silver reclosable zip-lock bag

IN-APP  
BRANDING  
OPPORTUNITY

iOS connector

## MOBILE DEVICE USB 3.0 FLASH DRIVE

Free up and expand the memory on your mobile devices with this tiny sleek flash drive. Install the free device app to gain access to a password or fingerprint protected drive, where you can view, manage and backup content from your phone or tablet. Transfer files at high-speed between all your devices and computers.

**Strongly position your brand with the newly available promotion technology, in-app advertising. Customize premium in-app advertising for a brand reminder every time the app is launched.**

Android connector

USB to Micro USB OTG  
adapter and Micro USB  
data cable included

Color: Silver, Gold, Rose Gold · Storage Capacity: 16-256GB · Measurements: 1.5"W x 1.1"H x 0.3"D · Weight: 0.5 oz · Branding: Imprint on surface  
Packaging: Paper carton

# WIRELESS STORAGE DRIVE

Keep your digital storage tucked away. This external storage functions with up to 7 mobile devices at the same time and can wirelessly transfer multimedia content and files. Heavy storage and light weight, it's ideal for team meetings and sharing content with a group.

Strongly position your brand with the newly available promotion technology, in-app advertising. Customize premium in-app advertising for a brand reminder every time the app is launched.

Color: White · Measurements: 2.1"W x 2.1"H x 0.5"D · Weight: 1.4 oz · Battery Capacity: 600mAh · Storage Capacity: 32G, 64G  
Working Distance: 33 ft · Branding: Imprint on surface · Packaging: Paper carton

## VIDEO BROCHURE

Use the powerful combination of visual and audio of video brochures to ensure the viewer remembers your brand message and products. They are custom made to reflect your brand vision and to meet your budget needs. Choose the screen size, cover size, and memory among other details, and custom design the artwork on all four panels and packaging box. Video can be changed and the batteries are rechargeable, making the items reusable and carry a high ROI. Let them deliver superior results for marketing campaigns, sales, fundraising, recruiting, training and other purposes.

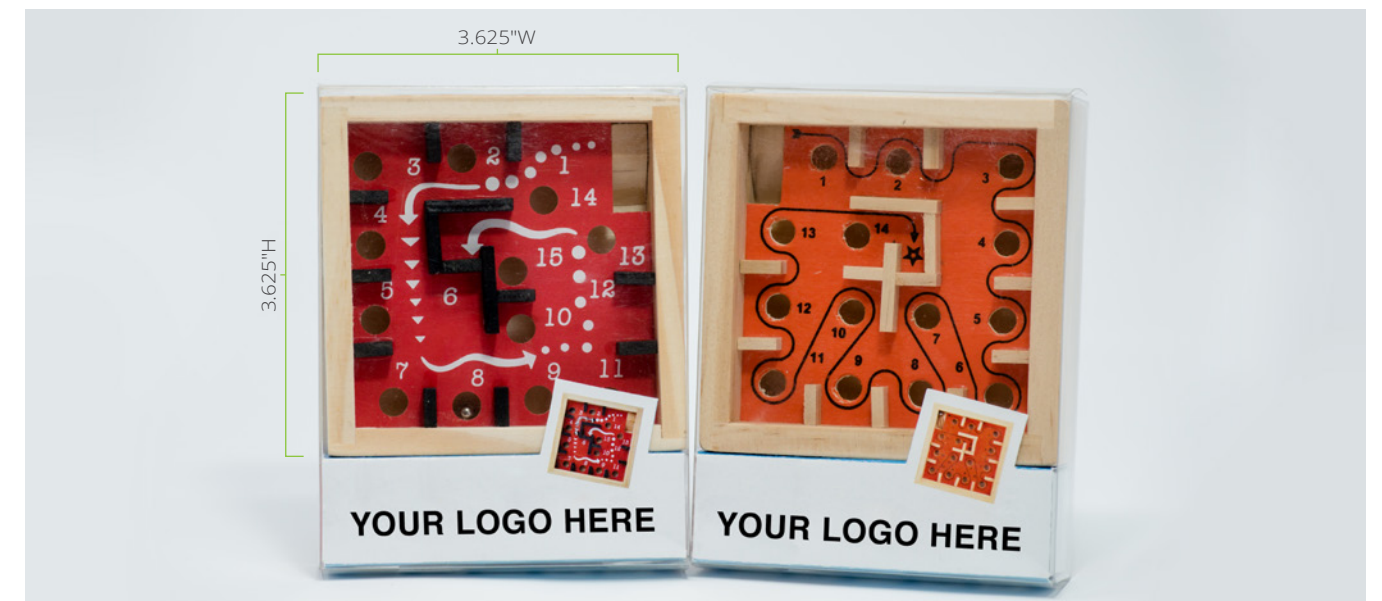

# BRAIN GAMES

Combat brain fatigue and fire up creative thinking with delightful puzzles. Ranging from easy to difficult problems, this gift is a quick way to get out of a workday slump by engaging the brain in new ways. Designed with quality wooden and metal materials in pocket-size packages, recipients can keep them on their desk, or game on the go. With your company's logo imprinted on each, your brand's message will stay while they play.

## FITNESS ACCESSORIES

Your heart will heart this fitness accessory. Send a positive message about workplace wellness while promoting your brand. Stay safe, secure and versatile on a run, the yoga mat, or workout of choice. Get moving to customize this product.

1. No battery—Running movement creates "flashes" of light to improve safety
2. Two strap slots and adjustable velcro fastening fit practically any arm.

1. Touch screen is fully functional through the window.
2. Slide in and access phone and other items through multiple openings throughout the belt.
3. Ultra slim waist pack

# BACKPACK

Ditch the briefcase. This functional backpack is designed for the modern-day employee. You'll be able to pack up a day's work and stay on the move comfortably. Designed with ergonomic features, it will keep the weight off your shoulders. This product has your brand's back by ensuring your logo and messaging stay on display.

1. Made of wear-resistant and water-resistant polyester oxford fabric
2. Designated compartments for laptop (15"), tablet and other carry-on essentials
3. Stylish and durable anodized aluminum handle
4. Adjustable strap ergonomically designed to provide effective shoulder protection
5. Travel made easy by the luggage trolley strap on the back

Color: Gray · Material: 230D PVC twill polyester oxford fabric · Measurements: 12" W x 16.5" H x 4" D · Weight: 2.2 lbs  
· Branding: Embroidery or domed label · Packaging: Plastic play bag

## BURLAP TOTE

Shopping while minimizing plastic waste is all the rage. These durable burlap totes save Mother Earth and your budget. A trendy choice for marketing solutions, you can imprint both sides with your logo, slogan, or event. Completely customizable in style and size. With an inspired design, get noticed and carry your brand to new places.

CUSTOM  
DESIGN

# CANVAS TOTE

This small tote with big purpose will help your brand be recognized. Customize every detail on these canvas tote bags. Your brand will travel to the gym, work, grocery store and more, so deck out both sides with your creative expression to get noticed everywhere.

CUSTOM  
DESIGN

# CUSTOM BRANDED PACKAGING

Customers expect to engage with a brand from delivery beginning to end of use. Create a memorable beginning by customizing the unwrapping, unboxing, or gift giving experience. Dream big with customizable double-sided full-color printing, in any style, material, size and artwork. We stay hands-on throughout each step from dieline creation to manufacturing. We'll focus on the details, so you can focus on delighting customers.

# FRAMED DISPLAY

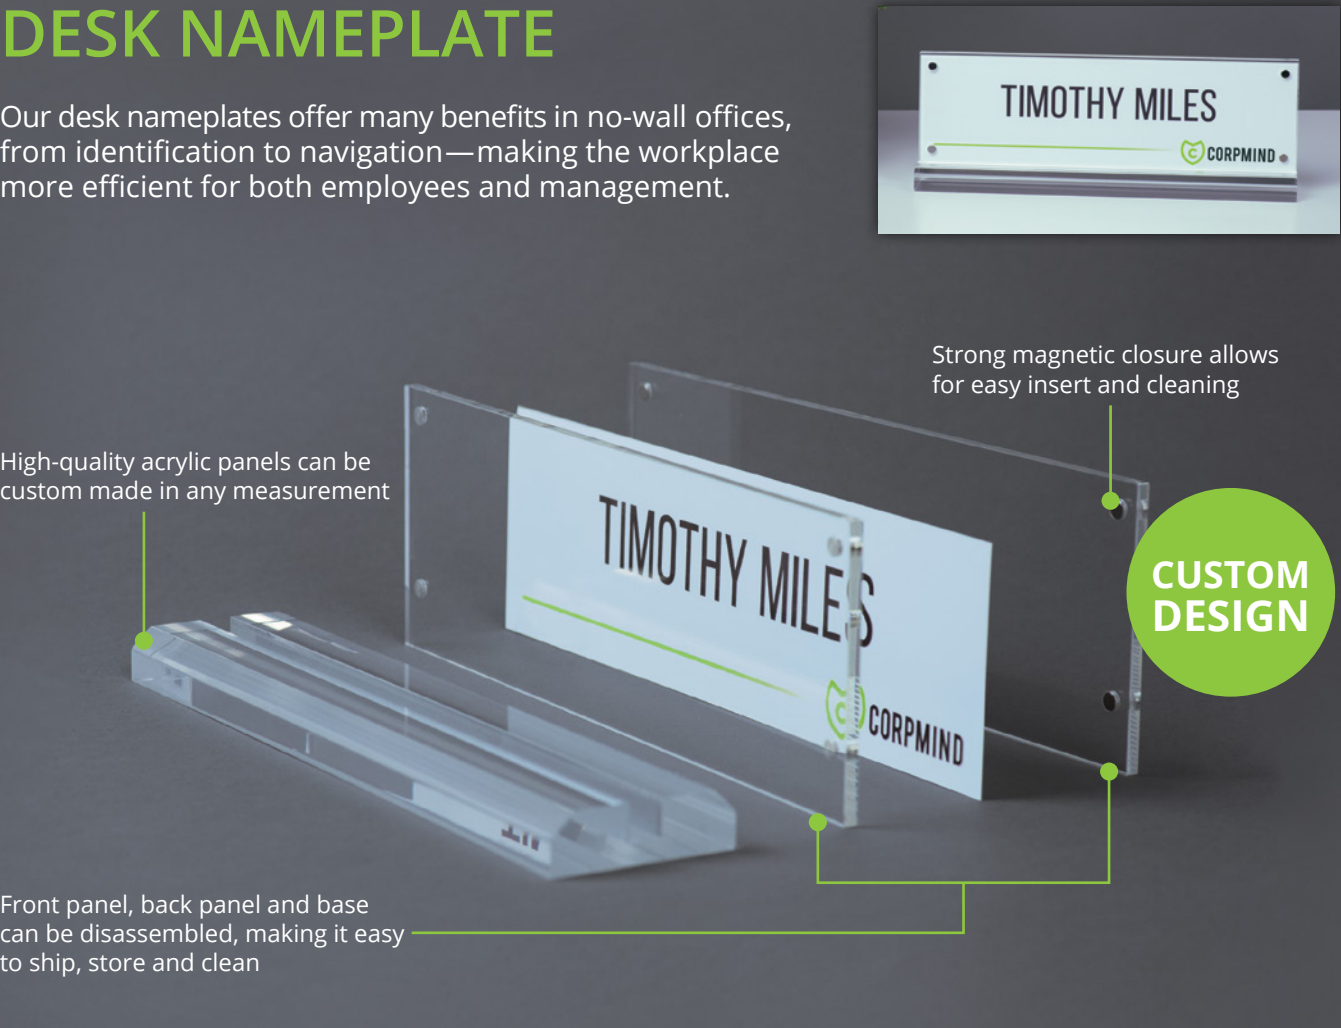

State your purpose and make a statement. This frame stylishly displays a business card, achievement, company motto, or certificate. Customized to any size, so you can use the double-sided clear frame to proudly display any message at home or the office.

Material: Acrylic · Measurements: 4.5" W x 3.2" H x 1" D · Weight: 9.8 oz · Branding: Imprint or laser engrave · Packaging: Optional gift package

# DESK NAMEPLATE

Our desk nameplates offer many benefits in no-wall offices, from identification to navigation—making the workplace more efficient for both employees and management.

Material: Acrylic · Measurements: 8.5" W x 2.5" H x 0.6" D (insert), 8.5" W x 0.6" H x 2" D (base) · Weight: 11.2 oz  
Branding: Imprint or laser engrave · Packaging: Optional gift package

## MAGNETS

Attract future customers. Your company's brand and contact info will stay on display in the workplace or at home with a glass domed high-resolution image of custom artwork. Customize the shape, size and packaging. Stay on the surface by helping to hang memories.

# YOUR VISION IN SWAG

Tap into CORPMIND manufacturing resources and let us guide you to create something that fits your exact vision and is unique to your brand. We love collaborating with you, so ask us about something that you do not see in this catalog, so we can materialize your creative expression. Use these snapshots of some of our custom projects to kickstart your vision.

# How We Work Together

1

## INQUIRE

Don't be shy. Chat with us at [contact@corpmind.com](mailto:contact@corpmind.com) to discuss customization requirements, quantity, and the deadline for the merch you want. We'd love to say hello!

2

## BRAINSTORM

Two minds are better than one. We find joy in collaboration and want to get aligned on all of the details. We've got your back from design to production to fulfillment.

3

## QUOTE

We love to show-off our low prices. We will provide minimum order quantity and a quick quote upfront, and keep it accurate as we finalize the details of your custom order together. We only believe in the good kind of surprises, so no hidden fees.

4

## APPROVE

Get your hands on your stuff. We provide a physical production-ready prototype so you are able to approve your item in person. We take care not to waste your time, or materials.

5

## TRACK

We make stalking your order easy. During each phase of the manufacturing process, our team keeps you informed.

6

## DELIVER

Your product travels the world the way you deserve. We provide express air freight or ocean freight shipping options to worldwide destinations. Avoid unexpected stopovers, and expect shipping directly from our manufacturers to meet your timing and budget needs.
